When and where did you begin this sport?	He began fencing at age 10.
Why this sport?	He stumbled across a fencing club while he was on his way to a shopping centre. "I had tried a bunch of activities like piano, tennis, and different team sports but nothing really resonated quite the way that fencing did. I happened to be walking by a fencing club as my mum was telling my brother and I, 'You're getting out of shape, you need to start doing an extra-curricular activity in order to get into university'. So my brother and I saw this facility, we saw the weird location. There were metal strips on the ground and a bunch of wires on the ceiling. So we were like, 'I wonder what kind of a room this is'. We gave it a shot and we stuck with it."
