When and where did you begin this sport?	She began fencing at age six and took up the sport seriously in 2007.
Why this sport?	"My father was also a sabre fencer. One day I saw his trophies and as a challenge I told him, 'I will win more than you'. I was doing artistic gymnastics at the time and I wanted to change sports, but mother did not want me to. I was too young but then I tried again and at age six I took it up. From the beginning I always enjoyed fencing."
